August 2018

Message to the Armenian Community,

***You are cordially invited to make St Yeghiche Armenian Church your spiritual home,***

***Register as Parish member and take part in the Services and activities of your Church.***

In 2013, St Yeghiche Armenian Church became an independent and self-governing Parish, within the Diocese of United Kingdom & Ireland, with its own Parish Council, by-laws and responsibilities.

As a baptised Armenian you recognize the significant role the Church plays in your family's life and want to belong to and maintain the church tradition. As a registered dues-paying member you will be involved in the administration of the parish and have a vote in the decision making process.

A dues-paying member has the power to vote at a Parish Assembly, which is the highest body making decisions regarding, local parish ministries, Parish Budget and Parish Activities. A dues-paying member may also be elected as one of the officers of the parish administration, e.g. Parish Council, auditing committee, nomination committee, etc. As well as the above and in recognition of your continued support, as an established St Yeghiche Church registered dues paying member, you will be entitled to claim a discount on fee paying sacraments such as Weddings and Baptisms.

Membership dues and your Donations are the only guaranteed income to the Parish upon which the Parish Council and Pastor can plan and run the church and its activities, support programmes and events. The funds raised by the parishioners, including the annual membership dues, support the Parish to pay the stipends of the clergy, support the activities in the church for Deacons, Organist and Choir, the archiving of the parishioners data, publication of a weekly newsletter and e-mail correspondence. As well as supporting the Parish Website, Facebook and all other Liturgical needs.

To register please approach a member of St Yeghiche Parish Council at Church every Sunday, alternatively complete and post the registration form using the link below;

<http://www.styeoghiche.org.uk/sacraments/forms-2/members-registration-form/>

We look forward welcoming you as registered Parish Members and enjoying your input to our Parish Life.

Thank you for your support and please share this message with your family and friends.

***St Yeghiche Armenian Church Parish Council***
