The Armenian Church celebrates the Feast of the Lord's Presentation to the Temple. Tiarnendaraj, or Candlemas as it is known in the West, symbolises the presentation of the 40 day-old Christ Child to the Temple in Jerusalem. In the tradition of the Church, Evening Services (Nakhatonak) are conducted on the night preceding the Feast Day. At the conclusion of the service, the priest lights a candle from the Holy Altar, and distributes the flame to all present. With great care, the faithful take the lit candles home to their families.

Serving at the Alter:

One of the great things about our community at St Yeghiche Parish is the involvement of so many of our young people as alter servers. They not only help Mass to run smoothly but they help the whole community to focus on prayers and celebrate our faith. Being a server helps them to join actively in prayers and to grow in self-confidence. They gradually learn about the mass and take more responsibility. So if you'd like to be involved please contact our coordinator of Alter servers Archdeacon Sarkis or talk to Rev Fr Nshan or contact the parish office at 020 7373 8133 or write to info@styeghiche.org.uk. Deacons Training sessions is every Tuesday evening at Bishops House

Screamer DVD

We are pleased to announce that St Yeghiche Armenian Church has few copies of the original SCREAMERS DVD by System Of A Down to give to all those interested. Please ask a member of the Parish Council for your copy. Any donations are welcomed.
